

## **StreamSweepers Hiring 2018 Team Members**

We are looking for young adults (must be 18 years old) to provide eco-assessment and stream cleaning services in Culpeper and Fauquier Counties on the Rappahannock River during June and July.

Employees will receive paid training in eco-assessment protocol, basic field first aid, GPS data entry, mapping skills and business entrepreneurship.

Prompt and team oriented individuals with own transportation who are comfortable in and around moving water and enjoy outdoor challenges will be considered. Previous canoeing or boating experience preferred.

To join our team, please send an email to [debbie@naturalcapital.us](mailto:debbie@naturalcapital.us) outlining your interest and qualifications. Salary \$10 hour. Learn more at [www.streamsweepers.org](http://www.streamsweepers.org) or call Debbie Manzari, Program Manager, at (540) 672-2542.
